

Ryhmä 7: Hilda Hermunen, Patrick Scott, Veera Ruotsalainen

## Sprint 8 review

Scrum master: Veera Ruotsalainen

### Trello Board Status

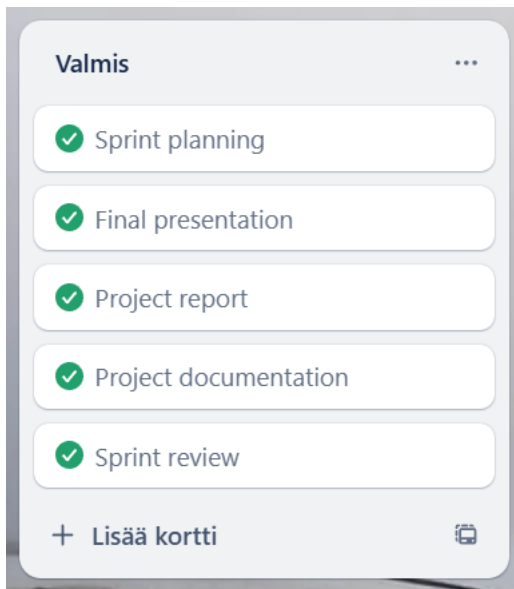

Figure 1: A screenshot of teams Trello board's Completed table from Sprint 8.

As shown in Figure 1, the team achieved the goals set for Sprint 8. The team created and presented the final presentation for the project. The team created a final report of the project that included project development process and product documentation. The project's GitHub repository was updated by adding all the documentation for the project including UML and ER diagrams and other documentation. The README file was updated to include the key information of the project.
